

The Trujillo Times
April 22, 2016

The Week: This week we have been learning about how division and multiplication are related. We also finished up our Science chapter dealing with matter. We will review Monday and Tuesday and a study guide will go home on Tuesday. In Language Arts we have been learning about text features and have been continuing to read Island of the Blue Dolphins during snack. As a class, the students' behavior has greatly improved and the marble jar is almost full! I think a party will be coming soon!!!

Word of the Week: Sustainability. The ability to use our natural resources while still leaving some for future generations.

Reminders:

- If you have not returned your child's report card, please do so as soon as possible!
- Remember, constellations papers are due **Monday, April 25th**. Your child have this weekend to finish them if they have not done so already.
- Screen Free Week is **May 2nd-8th**. Next week we will be logging our normal screen time so that we can compare the data after screen free week. The Regular Screen Time Log and a schoolwide TIPS assignment went home today. Please begin the log on Monday. After we have collected data for both weeks and graphed it, the children will write comparison essays using their data. This whole assignment will count as a **test grade** for **Math, Language Arts, and Social Studies** so please be sure your child completes the assignment.
- Our text features Language Arts test will be **Tuesday, April 26th**.
- The division Math test will be **Wednesday, April 27th**.
- The Chapter 6 Science test will be **Thursday, April 28th**.
- Part Two of our End of the Year Reading test will be **Friday, April 29th**.

Trivia Question: Answer the following question for **1 punch on your Earn and Return cards!!** Write your answer somewhere on this newsletter. Your parents may (and are encouraged) to help you. "Of which constellation is Spica the brightest star?"
