

Living Museum Project

It's that time again! The Living Museum will take place on Thursday, May 24th for Parent Involvement Night. Each student will choose an individual from the past who has made a significant contribution to the world. Students will dress up & pose as their historical figure that evening.

Students will need to do their research on their historical figure at home. They will also need to practice their presentation at home several times so they are prepared for that evening. Index cards may be used during your child's presentation which will also need to be prepared at home. We will have a practice day at school close to or on May 24th.

Please help your child choose a historical figure and fill out the bottom portion of this page with the name of the person on it. Historical persons are due Friday, May 4th.

I have attached a grading rubric so you can see how your child will be graded. Please let me know if you have any questions.

The Living Museum is one of my favorite projects to watch. Students learn so much about their historical figure and will remember these facts for years to come.

Please cut, sign, and return

Name of Historical Figure due 5/4/18

Child's Name

Parent's Name
