### The Week In Review

**ELA:** We covered cause and effect, comparative and superlative adjectives and adverbs, and the prefix “hypo-.”  
**SS:** Students just tested on Ch. 3. The next chapter is on Life in the Colonies.

**Math:** We're almost done with perimeter and area and will test this week.

**Science:** Students are currently studying Unit 9 which is on the structure of living things.

#### **Word of the Week:**

Our word of the week was “friendship.” Friendships are extremely important because they can impact a person's well-being. They can heighten one's happiness, help to reduce one's stress, and make one feel better about him/herself. Friendships also offer encouragement and support.

### Miscellaneous

#### Upcoming Dates

Tuesday, April 4- Report cards available on Skyward

Thursday, April 20- Parent Night

### Spelling

Students should neatly write each of the following words with large, legible print on the index cards sent home today. This week, we will focus on words with Latin Roots: aud, vis, form, cede.

audience	audiobook	deformed	informative	invisibility	platform
preceded	recede	reformation	supervisor	transformation	visionary

### Notes from Ms. Katje

*Singing with body percussion, flute, music of Ireland, “Rattlin’ Bog” (for St. Patrick’s Day). Ms. Katje is also helping students learn songs from The Hobbit for Reader’s Theater.*

### Notes from Coach Cotter

*In PE, we are working on football this week. In health, we are learning about emotions and emotional regulations.*
