Math- Due the next day

Dear first grade families,

Welcome back to school, first grade! I hope you all enjoyed your spring break and were able to relax. This week we will review classroom procedures and expectations. For reading, we will continue with Unit 7 and study facts about the past. A math review will be given on pennies, nickels, dimes, and quarters. The students will be quizzed on Friday. In science, we will be taking a look at living things and their parents. For social studies, we will continue to learn about land and water. Wednesday, we will have a cooking lesson in the kitchen. We need one more volunteer, please email me if you are interested. We also have Ms. Mitchell joining us to do a special spring reading craft. It will be a busy week!

Our parent night this month will be held this Thursday from 6-7pm. We will be having a science fair for the 4<sup>th</sup> and 5<sup>th</sup> graders. Please join us to support them and earn a volunteer hour as well.

Sincerely,  
Ms. Martinez

## Friendly reminders:

- All students must have a sealed water bottle and healthy snack each day.
- Please email me if you need volunteer hours.
