Dear first grade families,

It was a busy week in first grade! Thank you to those parents who came out to enjoy the science fair, it was a fun time. Next week, we will continue to practice and take our time with counting money. We will begin a new Unit in reading about the sun and the moon, which also ties into science. For social studies we will study famous women in history as we wrap up the month of March.

The students have been learning about cardiovascular exercises and activities during PE. Health class has been focusing on emotions and emotional regulation. Additionally, in music, the students have been practicing the keyboard, ukulele, and the kalimba.

All grades will be posted by next Friday for report cards. Have a great week!

Sincerely,
Ms. Martinez
