Math- Due the next day

## **Important dates:**

- Fri April 14<sup>th</sup>- "A" Honor Roll & Morning Mile Assembly (not Tuesday)
- Thurs April 20<sup>th</sup>- Parent Night

Dear first grade families,

It was a fantastic week in 1<sup>st</sup> grade! We had a lot of fun celebrating spring and the new month of April. We have also been practicing reading comprehension passages on our own. They are doing great!

Next week, we will finish our unit on the moon and stars as well as Chapter 10 in math. The spelling words are a bit more challenging, so it is important that they practice at least 5 activities from the spelling menu this week.

I sent home a permission slip for our walking field trip to Blue Highway on Wednesday May 24<sup>th</sup>. We will need 3 chaperones. If you are interested, please email me.

Sincerely,  
Ms. Martinez

## **Friendly reminders:**

- Here is the link to our playground fundraiser <https://www.gofundme.com/> All donations are greatly appreciated!
- You are welcome to join Morning Meeting for the assembly next Friday.

**"Unless you try to do something beyond what you've already mastered, you will never grow."**
