

# Classroom News

**WEEK OF: AUGUST 28, 2023**

## Welcome!

Dear Kindergarten families,

Thank you so much to my students for being so flexible this week. Also, thanks to Mrs Julie for taking care of everything while I was out. The class had a great time working on their sounds, writing letters and starting their first math lessons.

We spent time using our outdoor classroom and learning about science. We also had an SEL lesson with our counselor Ms.

Bowser. It was a fun and busy week!

Sincerely,  
Ms. Martinez
