Short a

1. ran

2. can

3. had

4. pat

5. hat

6.

7.

8.

9.

10.

Announcements

-Happy Friday! First grade had another great week this week!

-We started the math curriculum, which means math homework has started going home. Typically, I will assign odd or even numbers to be completed instead of the whole page. I will continue to go over this expectation next week.

-Spelling has started. We are starting with 5 words. Students are to study these words over the week and complete the weekly spelling homework (writing each word 5x). Our first spelling quiz will be Friday 9/1.

-Please start the reading log this week. Students may read, be read to, or listen to a story, then log it (M, T, W, and TH and turn in on Friday). The summary portion does not have to be completed until the second semester.

-Ms. Katje is hosting a Family Focus Hour on Wednesday, 9/6 from 8-9am! If you would like to attend and earn volunteer hours, please sign up on the SignUpGenius on the HLA website!

-Please complete the volunteer form online if you have not yet! To find the form: Click the "Volunteering" tab on the HLA website.

-To sign up for volunteer opportunities, click the "First Grade Class Volunteering" button on the HLA website, under the "Volunteering" tab where you found the volunteer form!

Important Dates

-School library opens 8/28

-First spelling quiz 9/1

-No school on Labor Day, Monday, 9/4

-PI Curriculum Night Thursday, 9/7, 6-7pm

First Grade Reading Log

NAME _____

Title of Book	Date	Minutes Read	Signature

Please choose 1 book you read from your reading log and write 2-3 sentences about it.
