The Week In Review

ELA: This week, we covered singular and plural nouns, and focused on the prefix “bi-.”

Math: We’re currently learning about multiplying decimals in Ch. 6, and will test this week.

Science: Students continued to learn about Scientists at Work in Unit 1. We will test soon!

SS: We’re finally done with geography, and will now focus on “Our Market Economy.”

Word of the Week:

Our word of the week was “respect.” Respect means that you accept somebody for who they are, even when they’re different from you or you don’t agree with them. Respect in your relationships builds feelings of trust, safety, and wellbeing.

Miscellaneous

Yoga Pose of the Week

This past week, Mr. Weissler and I led yoga and introduced students to our “Yoga Pose of the Week,” which was “Tree.”
