

THE BECKER BULLETIN

September
8, 2023

Thank You!

Thanks to all my parents that attended “Curriculum Night” on Thursday, September 7. I hope that you found the presentation beneficial and maybe picked up some tips on how to better help your children. A very special thank you to Mrs. Rousseau, Mrs. Stewart, Ms. Lee, and the Johnsons for volunteering this week!

Safety Patrol

Congratulations to the following students who were inducted into HLA’s Safety Patrol last Friday!

Macie Bell (Lieutenant) Josalyn Ecker Lille Jackson
Gaia Romero Noah Rousseau Isabella Stewart
Maverick Winningham Veronica Zadezensky (Captain)

The Week In Review

ELA: We spent this week reading our class novel, *Holes*, doing DOLs and creative writing, and reading about corn.
Math: Students had their Ch. 3 test on place value. Ch. 4 will focus on adding and subtracting decimals.
Science: Students continued to work on team-building activities, and we began Unit 1: Scientists at Work.
SS: The class has been learning about geography basics, such as using a compass rose.

Word of the Week:

Our word of the week was “acceptance.” When we accept something and don’t fixate on the negative, we are able to grow and move on. Accepting others and their views also allows us to become better, well-rounded individuals. Acceptance is the foundation for growth and change.

Miscellaneous

Yoga Pose of the Week

This past week, Mr. Weissler and I led yoga and introduced students to our “Yoga Pose of the Week,” which was “Cat Pose.”

Spelling

Students, you need to neatly write each of the following words with large, legible print on the index cards sent home today. Try to do them in cursive! This week, we will focus on words with long vowels.

bright	replied	payable	reasonable	exploded	explained
yielded	weigh	human	obliged	raised	elevate

Upcoming Dates

Thursday, September 14- Progress reports available on Skyward

Friday, September 15- Career Day

Monday, September 18- Start of “Hello Week”

Notes

Parents, please be sure to complete the “Volunteer Application” on the HLA website. While there, check out our Sign-Up Genius page and start to get your hours in! We have daily tasks, as well as things like cooking for PI Night available!
