11/12 – Conference Day – please sign up using the link at the bottom of the newsletter
11/25 – 11/29 – No School – Thanksgiving break

Announcements

Math – We tested on chapter 4. We learned the commutative property (flip flop numbers), identity property (anything times one), and when a number is multiplied by zero, the product is zero. Our next chapter will continue with multiplication. Please review counting by two's (2-24) with your child. This will help to recognize the two multiplication facts.

Reading – This week I continued reading chapters from Charlotte's Web. We made goodbye cards for Ms. Karen, as today is her last day with HLA. We have enjoyed Reader's Theater twice this week. We also practiced reading passages and working on story elements.

Science – We discussed fossils from our Scholastic Weekly Reader. The students had a fun time conducting an experiment on his/her heartbeat. Ms. Bowser taught an SEL lesson this week.

Music –

Reminders - Check the purple folder daily and empty contents. Bring a water bottle daily. Please remember to also pack utensils for your child's snack and lunch, if needed.

Please sign up on Sign Up Genius for my conference day. Please use the following link:
