**Be sure your student has a water bottle.** The temperatures have been well into the 90's the last few days.

We all need to stay hydrated.

Thank you to all who attended our initial parent involvement nights!

\*Stay Tuned for Parent Volunteer opportunities! **Reminder to all parents to complete a volunteer Application.** Even if you did one last year, the requirement is a new form every year.

Also, please complete the online questionnaire for Mrs. Carr. This gives me your contact information. I am sending everyone an invitation to the Remind app in email. This is an easy way for us to communicate securely. I hope to have all families on the app by September!
