What is the Guardian program?

Fifth grade is teamed up with Kindergarten in our Guardian program. All fifth grade students who wanted to participate were assigned one or two kindergarten "gifts" to help and sit with during Morning Meeting. We also met with them Thursday to try a SEL activity that was set up in the Great Room for all classes. The Guardian teams went around with their charges and read and tried some of the activities for calming themselves and making friends. Our fifth graders are becoming very responsible school leaders! I am so proud of them.

I will be asking students to bring a small ball that bounces to class on Wednesday IF they have one. It is not necessary to purchase a ball! We will use the balls to practice procedures for a controlled experiment.
